This chart displays the EUR/USD currency pair from 2015 to 2023. The price is shown as a candlestick, with green candles indicating upward movement and red candles indicating downward movement. A blue moving average line is overlaid on the chart. The chart is divided into green and red shaded regions, which likely represent different market conditions or volatility levels. Numerous horizontal dashed lines are drawn across the chart, indicating specific price levels. These lines are labeled with their corresponding price values in blue and red text. The chart shows a general upward trend from 2015 to 2021, followed by a period of volatility and a sharp decline in early 2023.
